Subject: Question regarding CES Environmental Services Inc.
Date: Thursday, January 22, 2015 5:00:09 PM

Barry,

Thank you for contacting me. The only person who may provide the insight you need in terms of actions at the CES Environmental Service Inc. is Gary Moore. Please see his contact information below. Also, we will be meeting in Houston February 23 with a Community Partnership. It would be great to see you there!

Gary Moore

Federal On-Scene Coordinator

U.S. EPA Region 6

214-789-1627 cell
